

## Frequently Asked Questions

Here are your answers! If you cannot find something you are looking for, please see our online Policies Handbook for more detailed information.

### What should my child wear to class?

Although we do not specify a particular style or color, students are asked to wear “dance attire” to every class. Leotards with skirts are perfect for our littlest dancers, while dance pants and tight fitting tank tops are fine for the older group. We simply ask that all dancewear be fitted so the instructors are able to see the dancer’s body in order to make critiques. For Hip Hop classes, play clothes are acceptable, but jeans, jean shorts or skirts are not acceptable. Tan tights are recommended because we wear these in the recital. Hair must be secure and out of face.

### Are dance shoes necessary for class?

We ask that all students wear the appropriate dance shoes to class. If you are worried about your child outgrowing their shoes before recitals, we recommend that you buy the shoes a little bit big (about a thumb’s width of room in the end), but not so big that they trip! Kids grow quickly! We sell shoes at our In-House Registration for your convenience.

### Can I try a class before registering?

Absolutely! We offer a FREE trial class to dancers so that they can find the perfect fit for them! It’s a great way to find out if your child is going to like class, and if it works with your schedule.

### Can parents sit in the classroom and watch?

Our lobbies have windows in which you can see your dancer! We ask that parents do not sit in the studio because it is unfair to other parents & kids. Kids have a hard time understanding why one student’s mom/dad can sit in class, but theirs cannot. Thank you for understanding!

### Can my child make up a class that he/she missed?

Yes! Come to any class that is style and age-appropriate at either location. There is no need to call or email ahead of time. Just simply come, and tell the teacher that you are making up a missed class. It’s that easy!

### When are recitals & are they mandatory?

Recitals are in the spring at the end of our dance year. They are not mandatory, but we highly recommend every student to participate. It is fun for the kids, and it builds self-confidence! If you choose not to participate, we must receive notice in writing before November 10<sup>th</sup>.

### When are costume/recital fees charged?

Recital & Costume fees are due by November 10<sup>th</sup>. Cash or Check is acceptable. Parents will get an invoice via email for the costume fees. Costume & Recital fees can be found in our POLICIES handbook.

### When do we receive costumes?

Students will receive costumes in the spring before picture week.
